

ALL ABOARD

Volume 18 Issue 3

March 2025

March is here and time marches on. This year is flying by very very quickly. Our last train show was an apparent success and we have the next one coming up next month.

As mentioned our next show is April 12th and 13th in New Braunfels at the New Braunfels Civic Center. We will be on the stage as usual and we should be linking up with the New Braunfels TTrak group.

As previously mentioned our last train show was a success. We talked to lots of people about possibility of becoming members. Hopefully we get some new members from those we spoke with at the show.

Hopefully we will continue to move forward with new members and continue having a great club.
