

ALL ABOARD

Volume 18 Issue 5

May 2025

April showers bring May flowers. I can't seem to remember that much rain in April though. Enough of the weather report on to the news.

Well it appears we had another successful train show experience from April's New Braunfels Train Show. Or at least that's my impression. We'll go over the show at the meeting.

We had a large group of students come through the Museum and tour the Zucht Building. It appears it went well for all concerned.

This meeting we will have elections for two Board positions. For those unaware, we do not elect for Board positions such as President, Treasurer and such. Instead, we elect members and then the Board members decide amongst themselves the positions they will hold. Currently Josh and Eric are up for election/reelection. Any member in good standing may run for the Board. So see you at the meeting.
